BIG4 Inverloch Holiday Park

Expands holidays footprint with addition of one of Victoria's largest and best located parks

Located on 8.4 hectares, in a scenic holiday and fishing destination within two hours of Melbourne

Iconic, multi-award winning park with a mix of accommodation across holiday park (freehold) and foreshore camping (leasehold)

- Revenue underpinned by 100 annual sites
- Accommodation includes 50 cabins/units/glamping tents and 287 powered/unpowered sites

Resort style facilities (indoor pool and water park, camp kitchen, games room, tennis court and TV room)

Identified upside as strategies implemented

- Additional marketing channels
- Rate/revenue management
- Site reconfiguration

Middle Rock Holiday Park and Village

Key asset in an established cluster

Mixed-use community located in popular Port Stephens region

Situated on One Mile Beach, with close proximity to existing Ingenia Holiday and Lifestyle communities

Well maintained community including tourist accommodation and a separate residential village with established sites

Holiday park comprising 213 sites and resort style facilities

- Accommodation includes 39 cabins, 67 annuals and 108 powered sites
- High level of amenity with outdoor pool, café, jumping pillow, playground and barbeque

Middle Rock Village includes 74 permanent residential sites with clear delineation from holiday park

Growth potential through implementation of identified strategies

- Additional marketing channels
- Rate/revenue management
- Site reconfiguration

Strategy and portfolio evolution

Strategy and portfolio have evolved

- First community acquired in April 2013 – Ettalong Beach (mixed-use)
- Move from conversion strategy to dedicated tourism focus
- Investment in dedicated resources with strong capability in asset and revenue management

Attractive fundamentals with opportunity to acquire and add value

- Complementary business with significant upside
- Strong, predictable cash flows – underpinned by repeat visitation and annual residents
- Focus on larger scale assets with upside through reconfiguration and application of digital platforms
- Ability to enhance returns through application of asset and revenue management skills
- Ability to manage mixed assets provides competitive advantage in acquisitions

Pre COVID the portfolio performed well, delivering consistent cashflows

Industry overview

The caravan and camping sector is a large and relatively stable industry which has been evolving and delivering growth

- Traditionally resilient, caravanning and camping has been growing in popularity with continued growth leading into the pandemic
- Since 2010¹
 - An additional 5.5 million caravan and camping trips have been taken
 - An extra 17.3 million nights spent caravanning and camping annually
 - Over 196,000 recreational vehicles have been manufactured and registered

These underlying drivers have been assisted by the recent COVID pandemic and a resurgence of/reconnection with this style of holiday experience

1. Caravan Industry Association of Australia: 2020 Caravan and Camping State of Industry.

2019 Industry snapshot

In 2019 caravanning and camping became Australia's most popular holiday choice

- Generated \$23.1 billion economic impact on the Australian economy annually
- Exceeded 60 million total visitor nights and 14 million trips
- Domestic travellers key driver of growth
 - Visitor nights up 11% to 59 million
 - Total of 14 million trips (up 9%)
- International visitor nights grew 2% to 4.8 million

COVID interrupted expected FY20 growth

- FY20 revenue down 6% - impacted by Park closures over peak trading periods
- Rapid response to COVID
 - Cost management, stand down of casual staff and receipt of JobKeeper partially offset lower earnings
 - Park closures utilised to undertake maintenance and refurbishment works
- Implementation of COVID safe plans and operational changes
 - Signage and capacity restrictions put in place to ensure compliance
 - Contactless check in
 - "Ingenia Clean"
- Marketing and online platforms updated with current information pending park re-opening, including COVID safe messaging
- Strong relaunch strategy

Annuals provide stable revenue

- Annual sites common in mixed use parks
 - Annuals place their holiday home/caravan on the site
 - Provides a holiday home at an affordable price
 - No need to book ahead of time
 - Available 180 days per year
- Provide stable, long term income with flexibility for conversion (rent paid on full year, not usage)
- During COVID annual sites continued to generate revenue, providing a stable revenue base for parks such as Lake Conjola

COVID relaunch strategy

TV campaign into QLD and NSW metro and regional markets.

Recent trends and performance

Post COVID demand has been strong

Holiday parks are outperforming other accommodation types post COVID restrictions

- Significant increase in bookings as restrictions eased
 - Parks within drive distance of cities exhibiting strongest demand with a high portion of intrastate travellers
 - Cairns Coconut and Sydney parks reliant on interstate and group bookings impacted by ongoing border closures
- Opening of intrastate borders further strengthened demand with average daily booking revenue increasing
 - Daily bookings accelerating into holiday season (anticipated to slow into Christmas as availability is absorbed)

Strongest performance from NSW Coastal parks	Border closures and loss of group/corporate travel impacted Q1
Customers choosing to travel closer to home	Cairns and QLD parks impacted by loss of interstate travel
Parks 2-4 hours from Newcastle and Sydney particularly strong demand	Sydney parks servicing CBD mid-week demand and sporting groups impacted by restrictions

Average Per Day Booking Revenue

Recent trends and performance

Customer base is expanding

- Stronger traffic through ingeniaholidays.com.au
 - Online bookings through Ingenia Holidays site up materially – now more than 50% of bookings
 - Lower use of Online Travel Agents (OTAs), providing cost savings and greater engagement
- Customer profile expanding to younger age groups
 - Bookings for 18-24 year and 25-34 year age brackets up
- Caravan park experience appealing to diverse guests
 - Represents 'safe', 'low touch', self contained environment, with ability to take short breaks
 - Accessible Coastal and regional locations
 - Experience based options appealing to a range of interests (fishing, surfing, wine tasting)
- Average length of stay increased by 17% to 4.1 nights

Nice Quiet Park

leonardf860, *Raymond Terrace, Australia (9/27/20)*
Very impressed with park it was a great family park but also very relaxing and quiet. Great access to beach as well for leisurely walks. This was our first trip in our caravan and Bonny Hills was a great first stop for us. Not too busy but comfortable and relaxing.

Perfect family getaway spot!!!

ashleigh0rr, *Canberra, Australia (9/19/20)*
My fiancé and I love getting away with our two boys, this was our first trip away after borders opened after Covid and we had the best time! The facilities at the park are excellent and so much fun! We can't wait to come back again with more of our extended family!

We will be back!

mtOct2020 (10/29/20)
Fantastic park - staff simply amazing! Facilities clean and well maintained - pool a great size! Easy beach access and smooth check in. Friendly family atmosphere and very knowledgeable about the local area. Kids and I had a fantastic stay! Thank you so much.

Excellent place for families we had a great time definitely be back

streekgien, *Torquay (10/22/20)*
Excellent place for families we had a great time definitely be back close to everything kids had a ball on the water slides free kayak use and movie for the kids at night. Price was reasonable and very clean amenities

Pleasantly surprised

ozzy_emg, *Sydney (10/22/20)*
My husband and I just returned from 3 nights at Ingenia Lake Macquarie. We were supposed to be on a cruise but due to covid it was cancelled. I had never stayed in a caravan park before but I can tell you it won't be my last. I found a mid week deal in a waterfront cabin and we decided to book it just to get away and relax.

Dave Walkerden (10/11/20)
My 16 year old daughter said "this is the best Holiday Park ever". The experience from the very first contact was warm and welcoming. We had specific needs for our large caravan and annexe set-up and the staff provided us with everything we needed. Aside from being right next to the most amazing beach, the park itself has a great holiday vibe and it's great just to stroll around the grounds. It's nestled in a beautiful forest setting yet just 10 minutes drive to a major shopping centre and the bustling Nelson bay holiday precinct.

The whole place comes alive with kids on bikes and scooters, people heading to and from the beach or the park's great swimming pool. The Pizzas from the local cafe are crazy good too. It has amazing resort style common rooms, BBQ's everywhere and a general happy holiday atmosphere right up until 10pm when, like a miracle, the place quiets down thanks to the most polite and efficient security staff I've ever encountered and everybody gets a good night's sleep (at least that was our experience).

I've been to plenty of Holiday parks, including Ingenia parks elsewhere, and I reckon the key to a great one is the staff and management. Ingenia Holidays One Mile Beach has nailed it. We're going back next school holidays for sure. [See Less](#)

3 br deluxe villa

Lara0000 (3/22/20)
This park is just amazing. Booked last minute accommodation due to cruise cancellation and we couldn't have asked for a better weekend. The villa was beautiful, clean, well laid out and everything you could want. The park is in a great spot within walking distance to main town area, swimming spots etc. The staff in reception were so lovely and accommodating - nothing was too much trouble - thanks guys for ensuring we had a great weekend.

Our families first time here at we loved it recommend it

Kerri-ann, *Australia (10/11/20)*
Good: Everything

FY21 year to date performance

- Lower Q1 revenue offset by strong Q2 performance
- Year to date revenue to end November up 5% on prior corresponding period
 - Occupancy holding at 59%, with REVPAR of \$45.64 (up 4%) and REVPOR of \$77.76 (up 4.5%)
- Strong December holdings supporting circa 10% revenue growth for 1H21
- Sophisticated revenue management focus delivering strong yield during high demand periods (Christmas, Easter) in key locations

Outlook

Strong outlook for Ingenia Holidays business

- Year to date performance now slightly ahead of FY20, despite impact of COVID on Q1
- Forward bookings well ahead of prior year – outlook for 2H21 remains positive, pending no unforeseen events
 - Holiday periods present strong opportunities to maximise growth
- Focus on regaining growth trajectory of business prior to COVID
- Tourism drivers in the short term provide a unique opportunity
- Longer term the outlook remains positive as underlying demand drivers remain in place
 - Ageing population (key users of caravan parks)
 - Emerging younger market
 - Opportunity to convert new guests to repeat customers
