

ORION METALS LIMITED

ASX RELEASE
21 AUGUST 2009

NAME & ASX CODE CHANGE TO ORION METALS LIMITED - ORM

The Directors advise Shareholders that, in accordance with the adoption of resolutions passed at the AGM on 30 July 2009, the Company has changed its name to Orion Metals Limited (ASX: **ORM**) from Queensland Gold & Minerals Limited, effective as of 19 August 2009.

Concurrently the share capital of the Company was reduced in the 4:1 consolidation to a total of 14,979,810 shares now on issue.

The Directors believe this structure is now more suited to its aggressive search for new mineral projects that will broaden ORM's projects base.

ORM is also seeking a joint venture partner for progressing its tantalum - lithium project near Georgetown in North Queensland.
