Appendix 3X

Attached is an Appendix 3X relating to the appointment of Mr Andrew Gillies as a Director of Orion Metals Limited ("the Company") on 28 November 2008.

It has just come to the Company's notice that, due to an administrative oversight at the time, the need for lodgement of an Appendix 3X was overlooked by staff who were not aware of the requirement to lodge when a new Director had nil interest in securities in the Company. However, we point out that an Appendix 3X was lodged in due time for another Director appointed on the same date.

We confirm that since his appointment Mr Gillies has not acquired a relevant interest in any securities in the Company and so his current interest remains at nil.

We further confirm that the Company does have arrangements in place such that Directors do understand their obligations to notify the Company Secretary in relation to their interests in the Company's securities and if there are any changes.

We consider that these arrangements with Directors are adequate and meet the requirements of ASX Listing Rule 3.19B so that the Company is able to comply with its obligations under Listing Rule 3.19A.
