ASX RELEASE

3 November 2011

Appointment of Chief Operating Officer

Orion Metals Limited (ASX Code: ORM) is pleased to advise the appointment of Mr Garry Gill as Chief Operating Officer. Garry will assume the responsibility for the day to day operations of the Company as Orion focuses its efforts on its exciting Rare Earth exploration projects at Killi Killi in WA and Broughton Creek in Queensland and other potential opportunities in the REE and gold sector.

Garry is a Chartered Accountant with over 30 years' experience in all facets of corporate, financial and administrative functions. He has served in senior executive positions at a number of listed and unlisted public companies, private companies and statutory authorities. The appointment is on a part-time basis which allows Garry to satisfy the requirements of ORM and at the same time allow him to continue in his existing roles.

Mr. David Barwick, Chairman of Orion said, "I welcome Garry to the Orion Metals team and to his assisting the Board to realise the high expectations we have for the Company's key projects to add to shareholder value."
